Description

A stunning brand new 2 bedroom granite barn conversion in the beautiful parish of St Mary. Having been finished to a very high standard it offers comfortable and stylish accommodation with a modern yet homely feel. It is a perfect base for both a cycling and a walking holiday (walkers having immediate access to the north coast cliff paths) and has a country pub serving good food just across the road.

Christmas Special; a fully decorated Christmas tree supplied on request during December.

It is only a short drive to the Durrell Wildlife Conservation Park (formerly Jersey Zoo) and the La Mare Wine Estate and Distillery is just a walk away and both are well worth a visit.

Greve de Lecq beach is less than 2 miles away and can be reached in 30-40 minutes along the cliff path. Heading east look out for the unusual sheep which graze the headlands here: <http://www.nationaltrust.je/place/mourier-valley/>
