There is also a sun lounge to make the most of the early morning light and our beautiful sunsets. The cottage is within walking distance of the pretty harbours of Bouley Bay and Bonne Nuit Bay. There is a private patio and a grassed area for guests' use and direct access onto the north coast cliff paths from this exceptionally high quality accommodation.

The cottage is located on a farm which has a small group of Jersey heifers which graze in the surrounding fields. There are several good quality restaurants within a short drive of this property. The Durrell Wildlife Conservation Centre and the Eric Young Orchid Foundation are also nearby.
